「*projection*」

Being your on-site provider has its own advantages.

Projection is the official In-House Audio Visual, Production Management, and Computer Services provider for the Long Beach Convention and Entertainment Center. This means we're already intimately familiar with every square-foot of the event space—allowing you to maximize the impact of your presentation technology.

The Convention Center is stocked with our own state-of-the-art and well-maintained equipment, providing built-in backup gear to easily handle any last-minute pop-up requirements. Plus, our on-site working relationship with venue staff and partnerships with local labor and vendors ensures that all those servicing your event are always in sync and communicating.

This is just one of the ways we keep our client's best interests at the core of everything we do.

Projection In-House Advantages

- Projection is the exclusive operator of the in-house audio systems at the Long Beach Convention Center. We provide a single vendor solution for meeting room audio, eliminating the expense and inconvenience of setting speakers in meeting rooms.
- Projection provides complete, turn-key audiovisual solutions for any size event. We support general sessions, breakout meetings, press conferences, exhibit audiovisual, presentation management, livestream / broadcast, lighting, scenic, and event strategy / consultation.
- Instant communication: As part of the in-house team, Projection is in constant communication with key facility staff 24/7 throughout the event. When available, Projection can set meeting room and event spaces without additional room rental costs ahead of time.
- Instant authorization: Our team of dedicated management staff are always on site during your event. We are available for immediate consultation and authorization in emergency situations.
- Projection is an extension of the facility staff. We work closely with your event manager to ensure rooms are set properly and on-time.
- Projection maintains an inventory of audiovisual equipment on site located in key areas around the facility. We have ample backup equipment already on site for rental. Eliminate the cost of equipment shipping, trucking, & dock labor.
- Projection has an experienced and deep bench of local labor who know the facility and our equipment. Projection does not charge for travel, per-diem, hotels, and transportation for event labor.

Rental Agreement

All equipment rentals are based on event rates and apply to event days only. Equipment rental prices do not include labor, delivery, electrical services, or removal of equipment from your booth. It is understood and agreed that EXHIBITOR is renting PROJECTION equipment for a specified period of time and is responsible for its safe return. EXHIBITOR hereby agrees to use all rental equipment with reasonable care to prevent excessive wear and tear and / or damage to said property. All rental equipment must be returned to PROJECTION in the same condition as it was in at the time of delivery to EXHIBITOR, reasonable wear and tear excluded. EXHIBITOR will immediately notify PROJECTION of any damage to the rental equipment, and EXHIBITOR hereby agrees to be billed for any damage to, or loss of, rental equipment damaged while in EXHIBITOR's care, custody and / or control. In no event shall EXHIBITOR permit any equipment to be used and/or possessed by other exhibiting parties other than the named EXHIBITOR without prior consent of PROJECTION in each instance.

Cancellation

Cancellation of equipment rental and services must be received 72 hours prior to delivery date to avoid a minimum one-day charge on equipment. If equipment and services have already been provided at the time of cancellation, a handling charge and a minimum one-day charge on equipment will apply.

PLEASE NOTE:

ALL PAYMENT, INCLUDING APPLICABLE TAX, IS DUE AT THE TIME SERVICES ARE ORDERED. PURCHASE ORDERS ARE NOT CONSIDERED PAYMENT.

Payment Terms

Full payment, including any applicable tax, is due at the time services are ordered. All payments must be in U.S. dollars. Orders received without advance payment or after the deadline date will incur additional charges as indicated on the order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of PROJECTION except where specifically identified as a sale. It is the EXHIBITOR'S responsibility to advise our Exhibit Service Personnel of any problem with any order, and to check invoices for accuracy prior to the close of the exhibit. If you are exempt from payment of sales tax, PROJECTION requires you to forward an exemption certificate for the state in which the services are to be used. Resale certificate are not valid unless EXHIBITOR is rebilling these charges to its customers. For International exhibitors, PROJECTION requires 100% prepayment of advance orders, and any orders or services placed at show site must be paid at the show.

These payment terms and conditions shall be governed by and construed in accordance with the LAWS OF THE STATE OF VA. In the event of any dispute between the EXHIBITOR and PROJECTION relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to PROJECTION for its services, as an offset against the amount of any alleged loss or damage. Any claims against PROJECTION shall be considered a separate transaction, and shall be resolved on its own merits. PROJECTION reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR'S estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that PROJECTION may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges.

Unpaid Balances

Should there be any pre-approved unpaid balance after the close of the event, terms will be net, due and payable in Springfield, VA upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepayment basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by PROJECTION shall be either applied to reduce the principal unpaid balance or refunded to the payer.
